Re: Extension of White Sands Project notice

Dear Mr. Ginouves:

This letter serves to notify you that, as the operator of record of the White Mountain Project notice which is presently authorized under the applicable 43 CFR 3809 regulations as BLM file UTU-72141, under Division of Oil, Gas, and Mining regulations as small mine permit S/021/018, and bonded through the BLM State Office, I am requesting that this notice be extended under the provisions of 43 CFR 3809.333 for an additional two years, through Jan. 20, 2013.

I agree to only conduct work which is specifically authorized and bonded through the approved notice and will notify you in advance of any work not specifically covered by the existing notice and bond.
